SCHOLARSHIP APPLICATION**

School District: _____

Name of School: _____

City: _____ **County:** _____

Thank you for your interest in visiting the EAA Aviation Museum. We are excited you have included us in your plans and look forward to providing you with a wonderful experience.

To help make field trips more affordable, the EAA Aviation Foundation, with support from EAA donors, has established a scholarship program for Title I schools. EAA will cover the cost of bussing for schools that qualify as a school-wide Title I school and assist with programming cost. There are limited funds available, therefore assistance is given on a first-come, first-served basis.

Museum program funding coverage is based on the percentage of students considered economically disadvantaged, as published by the Wisconsin Department of Public Instruction.
