For questions regarding this form, the Fire Regulations, or compliance requirements (How to Exhibit/Rules & Regulations section of the online Exhibitor's Guide), please contact the Fire Inspector at 920-236-5242 or by visiting <http://www.ci.oshkosh.wi.us/fire/prevention>.

Materials used in the construction and decoration of an exhibit must be flame retardant. All tents must be fire retardant. All indoor booths must have fire retardant treated table skirting and materials that extend the width of the booth(s). Any companies not using GES or Arena Americas (formerly Karl's Event Services) material in the construction of their exhibit will be asked by the Fire Inspector to show certification of flame resistance.

The undersigned certifies that \_\_\_\_\_ has made its exhibit and display materials fire retardant by treating them with \_\_\_\_\_ on \_\_\_\_\_.
