

# COLLEGIATE VOLUNTEER PROGRAM

Are you a college student that has an interest in experiencing **The World's Greatest Aviation Celebration** firsthand and behind the scenes? Then you should join EAA's Collegiate Volunteer Program. Positions vary, hours are flexible, and benefits are great!

## **Volunteer Opportunities Include:**

- Aviation-related
- Grounds/Facilities
- Administrative/Business/Customer Service
- Food/Event Management
- Photographers/Videographers

If you are interested in volunteering, we have a spot for you.

## **Volunteer Benefits Include:**

- Admission wristbands (weekly wristband for volunteers logging at least 30 hours; a daily wristband for volunteers logging at least four hours on a specific day)
- Complimentary camping for those volunteering at least 30 hours
- A meal and beverages during volunteer shifts
- A one-time, free six-month EAA membership when you complete an application
- An experience of a lifetime!

Enjoy AirVenture 2016, while gaining on-the-job experience with students from universities all over the United States.
