

# What is EAA?

The Experimental Aircraft Association, located in Oshkosh, Wisconsin, is a community of passionate aviation enthusiasts that promotes and supports recreational flying.

Our mission is to grow participation in aviation by promoting **The Spirit of Aviation**.

EAA hosts many events throughout the year with the largest being EAA AirVenture Oshkosh.

# What is EAA AirVenture Oshkosh?

AirVenture is the **World's Greatest Aviation Celebration**, which attracts around 500,000 individuals from all over the world.

It brings together aviation pioneers and groundbreaking innovations.

It consists of unique aircraft, forums, exhibitors, demonstrations, and air shows, while also being an event that tips the scales for fun, spectacle, education, and once-in-a-lifetime experiences.

Attend the world-class event  
July 25-31, 2016.

# EAA wants you to join their team.

Volunteer opportunities are available through the **Collegiate Volunteer Program**.

The one-week program allows college students to gain valuable on-the-job skills while having firsthand and behind-the-scenes access to AirVenture.

# Why should you join the **Collegiate Volunteer Program?**

- > Hours are flexible
- > Pick the days you want to work
- > Have access to the AirVenture grounds
- > Visit exhibitors
- > Catch an air show
- > Enjoy evening entertainment
- > Network with volunteers, corporate representatives, and other students

# What are the benefits once you join?

- > **Admission** wristbands to AirVenture
  - Weekly wristband for volunteers logging at least 40 hours
  - Daily wristband for volunteers logging at least four hours on a specific day
- > **Complimentary** camping for those volunteering at least 40 hours
- > **Free** meals and beverages during volunteer shifts
- > **Free** one-time six-month EAA membership when you complete an application
- > **An experience of a lifetime!**

# EAA has a place for you.
