

Hello,

Have the adventure of a lifetime this summer with your friends and meet new friends along the way as part of EAA's Collegiate Volunteer Program. During the weeklong EAA AirVenture Oshkosh 2016, gain on-the-job skills while also getting a behind-the-scenes, firsthand experience at the World's Greatest Aviation Celebration.

EAA has volunteer opportunities to fit your interests in areas such as aviation-related (flightline ops, aircraft greeters, and more), ground/facilities, administrative/business/customer service, food/event management, and more! In addition, the hours and dates are flexible to fit around your schedule. Plus, you'll gain access to exclusive benefits!
