2019 Site Improvement Request Form

DEADLINE: December 31, 2018

Any exhibitor requesting to enhance their outdoor exhibit space, by means of but not limited to, concrete, structures (non-mobile), other than a tent or landscaping (trees or shrubbery can be no taller than 12') must submit the site improvement request form and a site plan, for approval by EAA, to the Exhibit Office no later than December 31, 2018.

Note: Some site improvement requests will require EAA to provide a quote. Some of these quotes will require surveying of the exhibit space. All cost incurred for the surveying process will be the responsibility of the company/ person requesting the quote. EAA will notify companies if surveying costs will apply to their quote process.
