

Chapter Camping Planning Document

Please be sure to read all program policies on the website. The website policies and procedures will include key information such as price per site, important dates, etc. None of that information will be found in this document.

The purpose of this planning document is to help gather the information needed from chapter members in advance of filling out the Chapter Camping form after opening.

The chapter contact typically is the submitter and must be someone who can answer specific questions about the submission if clarification is needed.

For each camper you will need the following information:

First and last name:

(spelling must be correct and match below EAA member number)

EAA member number:

(must be correct, match above name, and be unexpired through the end of AirVenture)

Note: Incorrect EAA member number, name spelling errors, and expired/expiring memberships will be unable to have credentials printed by Camp Scholler staff.

Each Chapter Group Camping participant is allowed to have one camping unit.

Camping Unit Type:

(Tent, RV, Fifth-Wheel)

Camping Unit Dimensions:

(Be specific to exact size, fully deployed. Exclude the tow vehicle as this is declared separately.)

Each Chapter Group Camping participant is allowed to have one vehicle.

Vehicle Type:

(Car, SUV, Truck, Full-size Truck)
