- -Have chapter members or airport tenants bring our their aircraft for additional display; or a walk through with kids/families
- -Add a youth activities table (coloring pages/paper airplanes/etc) fun for the whole family.
- -If you have any local theater groups or re-enactors check for volunteers who might want to dress up in their Roaring 20's (Ford) or 1940's WWII Era (B17) garb and spend a day interacting with the customers; photo ops (additional props)
- -Play some era-themed music. It helps set the stage and keep everyone in a positive mood
