

**AMENDMENTS TO  
EAA® FOUNDER’S INNOVATION PRIZE  
2020 GRAND CHAMPIONSHIP – LOSS OF CONTROL  
(Finals Rescheduled to 2021 Due to Coronavirus Pandemic)  
OFFICIAL RULES**

Experimental Aircraft Association, Inc., (“EAA”) is the sponsor and administrator of the EAA Founder’s Innovation Prize competition.

Because of the Coronavirus worldwide pandemic, which began in 2020, and Wisconsin’s Safer In Place Order #28, which was in effect through and after May 1, 2020 and scheduled to be effective at least through May 26, 2020, EAA on May 1, 2020, reluctantly determined and announced that it would not be able to conduct EAA® AirVenture® Oshkosh™ in 2020 and that AirVenture 2020 is cancelled.

EAA is not able to conduct AirVenture 2020, and therefore it would be impossible to hold the Finals of the 2020 Grand Championship as originally scheduled on July 21, 2020.

Accordingly, certain dates in the Official Rules must be changed, and, based on EAA’s best judgment in fairness to all Contestants, the Finals will be held at the same venue and on the same day of the week as previously announced, at EAA AirVenture Oshkosh 2021.

Specific date changes in the Official Rules are stated below, and the Official Rules As Amended have been published on [www.eaa.org/Prize](http://www.eaa.org/Prize), on July 17, 2020.

Contestant’s Entry Application certification, attached to and part of the Official Rules As Amended, has been revised to acknowledge these changes.

In all other respects the Official Rules of the 2020 Grand Championship are unchanged and confirmed.
