

Eagle Hangar

Our largest, and perhaps the most visually impressive space within the EAA Aviation Museum, the Eagle Hangar houses restored military aircraft to create an unmatched backdrop of nostalgia. With history, class, and space for any aspect you need at your event, from place cards and gift tables to bars to a photo booth, this is the perfect venue for all types of events ranging from weddings to corporate meetings.

For groups of more than 300, additional aircraft movement fees may apply. Additional rental may be needed for 500+ people.
