Computer Lab

If you need to get away from the home office to conduct important computer or technology training for a small group, this room is the perfect place. The Computer Lab has the technology you need for hands-on instruction, with an off-the-main-track setting that supplies the quiet training environment you're looking for.
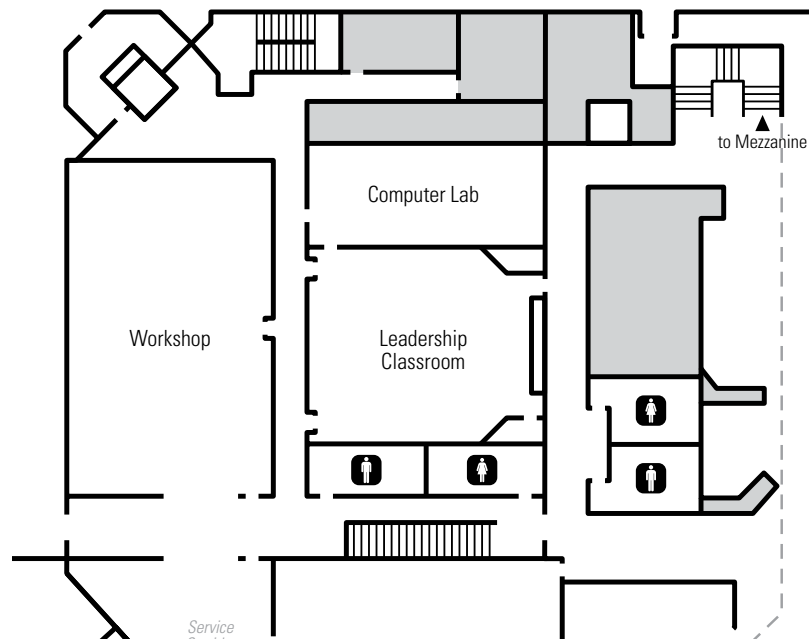

Seating Capacity
24 computer stations

AV Equipment Included*
XGA ceiling-mounted projector (1)
4.75' H x 6.5' W roll-down screen (1)
In-house PA system
PC laptop (1)

*Please see your event coordinator for additional audiovisual details.
