

Exhibit Hangars

There are no better convention/exhibit facilities in the area than these four hangars located on the EAA AirVenture grounds. Each summer, the buildings welcome hundreds of aviation exhibitors from around the world and supply their logistical needs. Located close enough together to allow for an easy walk to any of them if space in multiple hangars is needed, the layout is perfect for organizing your event, convention, festival, or exposition show needs, with plenty of adjacent parking room and even an aircraft taxiway if needed. Outdoor exhibit space and camping facilities are available upon request.
