COVID-19 GUIDELINES

COVID-19 GUIDELINES As of press time, in accordance with the Winnebago County Health Department in Oshkosh, there are no mask or vaccination requirements for EAA AirVenture Oshkosh 2022. Health and safety are still priorities, and personal responsibility is always the best strategy. There are hundreds of hand sanitizing stations located throughout the grounds, and EAA teams are again working with Jani-King for additional sanitizing at all our facilities.

GROUND ACCESS RULES JULY 21-24

To improve safety, security, and mobility in the final hectic days before AirVenture opening day, these policies and procedures will be in place from Thursday, July 21, through Sunday, July 24.

GROUND ACCESS

Entry will be allowed to credentialed vehicles ONLY through Gates 33 (Waukau Avenue), Gate 37 (Knapp St./Warbirds) and 26 (Knapp Street/Theater in the Woods). Other vehicle gates will be closed. Non-credentialed vehicles are NOT allowed on the grounds, the same as during AirVenture week. Personal golf carts, scooters, bicycles, and other such vehicles are also prohibited. The restricted area (shown on map) will be enforced in order to ensure safety for everyone involved as AirVenture preparation is underway.

Exhibitors and vendors within the restricted area will receive special pre-event lanyard credentials. While early AirVenture attendees — such as those arriving with their aircraft — will not require wristbands until Sunday, July 24, they are asked to avoid entering the restricted area. Non-credentialed volunteers will be allowed onto the grounds **ONLY** to pick up credential packets from their chairmen. EAA security will be present in the restricted area. Non-credentialed vehicles will be asked to leave.

Exhibit Hangar Access: Thursday, July 21, through Sunday, July 24, there will be strict enforcement of access to Exhibit Hangars A-D. Only credentialed exhibitors and vendors are allowed during open hours from 8 a.m. until 6 p.m. on those days.

Aviation Gateway Park Access: From Thursday, July 21, through Sunday, July 24, there will be strict enforcement of access to Aviation Gateway Park exhibit facilities. Access is limited to credentialed exhibitors and vendors, and only between the hours of 8 a.m. and 6 p.m. At 6 p.m. sharp, doors will be locked.

Outdoor Exhibit Access: Outdoor exhibits are not open until Monday, July 25. Visitors on the grounds before that time are asked to avoid these areas to allow exhibitors to finish setting up their exhibits, and to exercise caution anywhere around the outdoor exhibit areas due to the presence of equipment used to prepare the areas for the fun hustle and bustle of AirVenture.

- **Yellow Route:** North of Hangars A and C, with stops at the exhibit hangars to a pickup/drop-off area south of Hangar B, giving easy access to Camp Scholler.
- **Blue Route:** South of Hangar B to Wittman Road, through the Vintage area, to the Ultralights area, to the Seaplane Base shuttle stop and back.
- **Purple Route:** Runs the loop through Homebuilt Aircraft Camping along the airport service road, from Galatin Avenue near Aviation Gateway Park to the North 40 entrance. This route will operate **ONLY** during high-demand times (8-11 a.m. and 3-7 p.m.).

Wi-Fi

Complimentary Wi-Fi hotspots and stations are located throughout the grounds for internet access. Check the AirVenture map for Wi-Fi hotspots and Wi-Fi stations with electricity. (Note: roaming service is unavailable.) Having problems? Call the Wi-Fi Helpdesk at 920-230-7831.

VOLUNTEERING (G-14)

Hours: Mon 7/18-Sun 7/31, 8 a.m.-5 p.m.

Enhance your visit at AirVenture Oshkosh by volunteering, even for a few hours. Stop in the Camp Scholler Volunteer Center near the Red One Market Central or visit EAA.org/Volunteer to learn about many behind-the-scenes opportunities.

Our unrelenting passion fuels change

Because we believe
the world works
better when it flies

Having researched and tested Sustainable Aviation Fuels (SAF) for over a decade, our cutting-edge engine technology has already enabled the first 100% SAF-powered passenger, freighter and military flights. With the commitment, determination and scale to play our part in achieving net-zero, we're not stopping there. As well as ensuring that all GE and GE partnership engines can already operate with approved SAF, we continue to innovate and bring to market changes in propulsion to continue our journey to decarbonization. See what we're doing today for the benefit of us all tomorrow.

Visit our exhibit at Air Venture Oshkosh 2022.

LOCAL WEATHER RESOURCES

Radio (including weather alerts):

- EAA FM 96.5 and AM 1210 (Oshkosh)
- AM 1490 WOSH (Oshkosh)
- AM 1280 WNAM (Neenah)
- AM 1450 KFIZ (Fond du Lac)
- NOAA Weather Radio (Winnebago County radio frequency 162.500)

OSHALERT TEXT MESSAGE WEATHER ALERT

Sign up to receive text message weather alerts for potential bad weather. **Text OSHALERT to 64600.**

(Available for United States and its territories only.)

Alerts will begin on Thu 7/21 and end Sun 7/31, or cancel at any time by texting STOP to 64600.

WEATHER WATCH

A watch means that conditions are favorable for severe storm/tornado development.

- Secure items that could be blown away in high winds.
- Be prepared to unplug your electric cord from the electric pedestal.
- If camping by your aircraft, make sure it is tied down securely.

WEATHER WARNING

A warning means that dangerous weather is threatening the area.

SEVERE THUNDERSTORM WARNING

Take shelter in your camper or vehicle. If a shelter or vehicle is not available, find a low spot away from trees, fences, and poles, but make sure the spot is not prone to flash flooding. If you cannot avoid trees, try to stay in the area of shorter trees. Cover your head with your hands, and lie down on the ground.

TORNADO WARNING

Find a ditch, depression, or low area and lie down, covering your head with your hands.

As a last choice, secure yourself in your vehicle, with the vehicle running so the air bags can be deployed. Keep your head lower than the vehicle windows and covered.

SERVICES

Campground ATM Locations

- Camp Scholler Security & Assistance Center (Porch)
- Red One Market Grocery Stores

Bottled Gas

Available in Camp Scholler at Red One Market West, (at the corner of Stits Road and Schaick Ave)

Off-Site locations:

One Stop Service Center, 4477 Poberezny Road (south of campground), 920-233-6274

Kwik Trip, 2400 S. Washburn St. (at Highway 44), 920-233-4080

Campground Transportation

On-site Bus Transportation

Buses circulate throughout Camp Scholler from Sat 7/23 through Sat 7/30 from 6:15 a.m. to 11 p.m., and on Sun 7/31 from 6:15 a.m. to 5 p.m. Shuttles to off-site locations are available at the Red One Market West (corner of Stits Road and Schaick Avenue in Camp Scholler) and at the Bus Park on the AirVenture grounds (north of the Main Gate, near Waukau Avenue).

TAKE THE SCENIC ROUTE TO THE BAHAMAS

SCAN
TO WIN

When you're ready to take off for islands framed by blue skies and crystal-clear seas, file a flight plan for The Bahamas and take in a view that few others ever see. Touch down on one island or visit a few. With multiple airports in close proximity, it's easy to refuel, clear customs, and continue your island-hopping adventure across 16 island gems.

Look for us at BOOTH #9 in Hangar D IFP (International Federal Pavillion)

EAA Fly-In Theater

An outdoor walk-in theater with complimentary admission.

Camper Registration Gate is open 24 hours starting Fri 7/1. West Gate (CC) and South Gate (CF) are open 9 a.m.-5:30 p.m. starting Fri 7/1. Gates that are open 24 hours starting Thu 7/21 are Gate 19, Gate 21, Gate 37, and West Gate (CC).

Basic Campsites

- All basic campsites are on a first-come, first-served basis. Sites may be purchased online at AirVenture.org or at the Camper Registration building. EAA members pay from their arrival date through the end of AirVenture and may not stake out a spot in advance.
- On or after the arrival date, EAA members must check in at the Camper Registration building to receive their camping credential.
- Basic sites are not marked or assigned.
- You may have one tent/camper and one vehicle on each campsite.
- Camping units must be a minimum of 10 feet apart.
- Camping credentials must be visible on both on your camping unit and transient vehicle.
- Visitor parking passes (S Lot) may be purchased at the Camper Registration building.

Water and Electric Sites

- All water and electric campsites are on a first-paid, first-served basis. Sites may be purchased online at AirVenture.org or at the Camper Registration building.
- Payment for a water and electric site is calculated at the daily camping rate from the date the site is secured through the end of AirVenture. A campsite tag will be placed on the site to indicate it has been purchased.
- On or after the date the site is secured, EAA members must check in at the Camper Registration building to receive their camping credential.

Refund Procedures

Refunds are issued as you exit the campground in your vehicle.

- Vehicle pass issued with credential must be surrendered to receive a refund. You will be refunded unused days, less the three-day minimum.
- No refunds are issued on Camp Scholler water and electric campsites.
- Checkout is noon daily. Campers leaving after noon will be charged for that day.

Build It. Fly It!

With Zenith Aircraft Company

Since 1992

The incredible "Sky Jeep"

STOL CH 750 Super Duty

True Short Take-Off & Landing Performance and Capability

Amazing STOL performance!

Rear jump seat!

More power, useful load, and performance!

Zenith CH 750: STOL and Cruiser

Easy cabin access with large doors, huge cabin, comfortable seating, great visibility
Outstanding performance with standard tricycle gear with steerable nosewheel.

Sleek low-wing Zenith CH 650

Complete Kits, Ready for Assembly
* Based on actual FAA registrations

Zenith Aircraft kits represent outstanding value, with direct support from the factory. Manufactured using state-of-the-art CNC technology, complete kits are now easier and quicker to build than ever. Complete your personalized Zenith with your choice of engine and avionics. Celebrating our 30th anniversary: 1992 - 2022

30th Anniversary
Zenith Homecoming
Open Hangar Days & Fly-In
September 16 & 17 at the factory in Missouri

www.zenithair.com

Zenith Aircraft Company
1881 Airport Road, Mexico, Missouri 65265

- Camping credentials must be visible on both the camping unit and transient vehicle.
- Only one tent/camper and one vehicle is allowed on each campsite. Sites are approximately 25-by-50 feet.
- Additional vehicle and visitor parking passes for the overflow lot (S Lot) may be purchased at Camper Registration.

Generators

- No generator operation from 10:30 p.m. to 6:30 a.m. (except in designated 24-hour area).
- Camping units in 24-hour generator areas must be positioned perpendicular to fire lanes.
- No tents are allowed in the 24-hour auxiliary power area.

Handicap Access

- An RV/handicap camping area for those requiring 24-hour operation of auxiliary generators is available on a first-come, first-served basis.
- Handicap-accessible restrooms are available at three campground shower facilities.
- A handicap-accessible bus circulates throughout the campground.
- Handicap placards must be displayed on camping unit.

Courtesy

- Courtesy quiet time begins at 10:30 p.m.
- Please leave campsites the way you found them.
- No commercial operations are permitted in Camp Scholler.
- Noncommercial advertising, demonstrating, or non-commercial soliciting must be approved in advance by EAA.
- Flying objects (i.e., RC aircraft, drones, Frisbees, etc.) are prohibited in Camp Scholler.

Campfires and Firewood

- The Wisconsin Department of Natural Resources asks that all campground firewood be left at home and purchased near your campsite location. Firewood should be obtained within 10 miles of where you plan to use it. Fines for transporting firewood across state lines are heavily enforced.
- Firewood is available for purchase at the campground stores and local convenience stores.
- Do not leave campsite areas without completely extinguishing campfires.

PERSONAL TRANSPORTATION

- **Unlicensed** motorized vehicles are prohibited.
- Roller skating/blading, skateboarding, or use of self-balancing scooters is prohibited.
- A valid driver's license is required to operate any type of vehicle in Camp Scholler.
- Bicycles and personal transportation devices **are** allowed in Camp Scholler, the North 40 camping area, and the South 40 camping area.
- Single-person electric convenience vehicles and personal disability mobility devices are allowed everywhere when required because of the individual's mobility disability and when operated in a safe manner, consistent with 28 C.F.R. 36.311(b)(1).

Pet Guidelines

AirVenture is not a safe place for animals. If you bring your pet, please follow these guidelines:

- Pet camping is available in Camp Scholler only.
- Pets must be on a lead at all times, no longer than 8 feet.
- Clean up after your pet.
- No pets are allowed on the AirVenture convention site, including aircraft camping.
- Pets found loose will be turned over to the Winnebago County Sheriff's Office.
- Campers are subject to relocation or expulsion should staff receive complaints due to excessive pet noise or any other pet guideline violation.

TRAFFIC REVERSAL

To accommodate heavy traffic during peak periods, the following traffic reversal schedule is in effect (subject to change per Sheriff's Office):

Mon 7/25, 5-8:45 p.m.

Tue 7/26, 5-8:45 p.m.

Wed 7/27, 5-10:30 p.m.

Thu 7/28, 5-8:45 p.m.

Fri 7/29, 5-8:45 p.m.

Sat 7/30, 5-10:30 p.m.

Use the Highway 26 exit from Interstate 41 and head north on Poberezny Road (frontage road) to enter the campgrounds from 5 p.m. to 10 p.m.

To get to the west side of Oshkosh from 5 p.m. to 10 p.m., use 9th Avenue (Exit 117) from I-41

To get to the east side of Oshkosh from 5 p.m. to 10 p.m., drive south on Poberezny Road

and turn left at County N/Fisk. Note: County N/Fisk and Highway 26 are the same road.

AIRCRAFT CAMPING

- By default, general camping guidelines should be followed, when applicable.
- All aircraft in the North 40 or South 40 camping areas will be charged the camping rate.
- All campsites must be paid for before setup.

Always display proper camping credentials.

- Aircraft must be eligible for judging to camp in the Showplane camping areas.
- All aircraft must be tied down. "Dog leash" tiedowns are prohibited.
- Only one tent per airplane, unless a second tent is needed for immediate family members, in which case it must fit within the footprint of the aircraft.
- Generators are allowed in the North 40 camping area. Engine-driven generators may only be operated between 6:30 a.m. and 10:30 p.m.
- Aircraft engines may not be started at the campsite. On departure, aircraft must be pushed out of the campsite.
- Coolers must remain secured at your campsite location.
- Alcoholic beverage consumption is prohibited on airport property, except in officially designated areas or under specific permission given by authorized EAA staff.

Check for additional camping guidelines at the information desk or visit **EAA.org/AirVenture**.

Fueling operations shall be done with the utmost safety in mind, in accordance with NFPA 407.

- Prior to initiation of fueling operations, the fueling vehicle and the aircraft to be fueled shall be bonded.
- No open flame, cooking stoves, or smoking is permitted within 50 feet of fueling areas.
- All fuel spills shall be reported immediately to the Oshkosh Fire Department.
- All fueling hoses shall be properly stowed prior to moving the fueling vehicle.

FIRE PREVENTION

City Of Oshkosh Fire Department

Cooking stoves in transient aircraft camping areas:

- Do not leave campsite areas without completely extinguishing stove.
- No charcoal or wood campfires in aircraft camping.
- Careful use of white gas or propane camp stoves is allowed in aircraft camping, provided they are in an area away from parked aircraft and that the stove is attended at all times.
- Cooking stoves must be a safe distance (10 feet) away from any aircraft.
- In the event that the conditions at Wittman Regional Airport and on the EAA grounds change drastically before or during the convention, additional restrictions on cooking stoves may be implemented.

Aerial Application's Growing Role

NOW RECRUITING & CELEBRATING 100 YEARS Visit the Ag Plane Display at Booth #446

Aerial application, an industry that has been progressively evolving now for 100 years, is an exciting field of aviation that aids farmers in producing a safe, affordable and abundant supply of food, fiber and bioenergy; protects forests from fire and pests; and protects the public health by combating disease-carrying mosquitoes and other potentially lethal insects. Opportunities are available for a new generation of ag pilots to step forward and provide the aerial application services America's farmers depend on and to help growing and expanding the industry for years to come. Becoming an ag pilot isn't easy, but it is worth it. **Stop by Booth #446 to get an up-close look at our ag plane and to learn more about the history of the aerial application industry as we finish celebrating our 100th anniversary! Attend our forum: "100 Years of Flying for Your Food" (check the schedule for date/time).**

**THINK YOU HAVE THE
FLIGHT STUFF?
GRAB A SEAT TODAY!**

AG PILOT REQUIREMENTS

Requirements include a Commercial Pilot Certificate and Class II Medical Certificate, along with an ag related knowledge and skills test plus a commercial pesticide certification.

AG PILOT INCOME POTENTIAL

Skilled ag aviators can potentially earn \$100,000+ per year.

AG PILOT TRAINING OPTIONS

Training options include a basic flight training program and agricultural coursework at a school or apprenticeship.

AG PILOT WORKING CONDITIONS

Working in the great outdoors spraying crops, forest, pastures and rangeland.

**Ag Pilots: In Demand for a Century;
Remaining in Demand for Centuries**
Start Your Future at AgAviation.org!

MAKE THE PERFECT LANDING

Your Embry-Riddle degree helps set a course for success

Enrolling in an aviation-related degree program at Embry-Riddle Aeronautical University puts you on the leading edge of an industry that offers unparalleled career paths.

In addition to the academic foundation provided by expert instructors, you'll get vital hands-on experience in glass cockpit aircraft, labs that replicate the nation's airspace, state-of-the-art maintenance facilities and unrivaled aviation simulators.

With campuses in Florida and Arizona and a range of online offerings, Embry-Riddle opens new doors to aviation opportunities around the globe.

Simplify your cockpit. MAXimize your experience.

No Backups for MAX Multi-Display Systems* with New Internal Battery.

Eight reasons why MAX is the best buy:

- **Synthetic vision now standard on all MAX displays**
- **Reduces cockpit clutter**
- **Removes entire six-pack along with vacuum system***
- **Dual display system doesn't require backups****
- **Integrated MFD1000 internal battery**
- **Vibrant aviation glass display with latest generation processors**
- **Simple and affordable MAX upgrade path for legacy Aspen displays**
- **New autopilot interfaces**

Pro MAX PFD***

MFD1000 MAX

For Aspen customers old and new, your investment retains its value, and will never become obsolete. So, take your displays to the MAX and get the most out of flying.

Lycoming Engines Forums

AT EAA AIRVENTURE OSHKOSH 2022

Join our FREE training sessions to learn more about Lycoming engines and to hone your service skills. Registration starts 30 minutes before each event at Lycoming's Training Tent located in Booth #277-282.

Piston Engine Service School

Lycoming Engine Assembly

Mon	1:00 pm - 3:00 pm	Lycoming Booth
Tues	1:00 pm - 3:00 pm	Lycoming Booth
Wed	1:00 pm - 3:00 pm	Lycoming Booth
Thurs	1:00 pm - 3:00 pm	Lycoming Booth
Fri	1:00 pm - 3:00 pm	Lycoming Booth
Sat	1:00 pm - 3:00 pm	Lycoming Booth

Lycoming Engine Disassembly

Mon	9:30 pm - 11:30 pm	Lycoming Booth
Tues	9:30 pm - 11:30 pm	Lycoming Booth
Wed	9:30 pm - 11:30 pm	Lycoming Booth
Thurs	9:30 pm - 11:30 pm	Lycoming Booth
Fri	9:30 pm - 11:30 pm	Lycoming Booth
Sat	9:30 pm - 11:30 pm	Lycoming Booth

In addition to attending our classes, visit the Lycoming booth to view our display engines and genuine Lycoming parts, learn the latest Lycoming news, meet members of the Lycoming team, and more.

Forums

Lycoming Thunderbolt Engine

Mon	8:30 am - 9:45 am	Forum Stage 6
Wed	11:30 am - 12:45 pm	Forum Stage 6
Fri	8:30 am - 9:45 am	Forum Stage 6

The Insurance Protection Student Pilots Need

Take flight with Starr Gate, the iPad app from Starr Insurance Companies, a global leader in aviation insurance. Starr Gate helps you fly safer, and makes buying and saving on flexible, month-to-month coverage easier than ever.

Buy Coverage by the Month

Choose insurance that fits the way you fly and get quotes in minutes. Purchase coverage by the month or the year through the Starr Gate app.

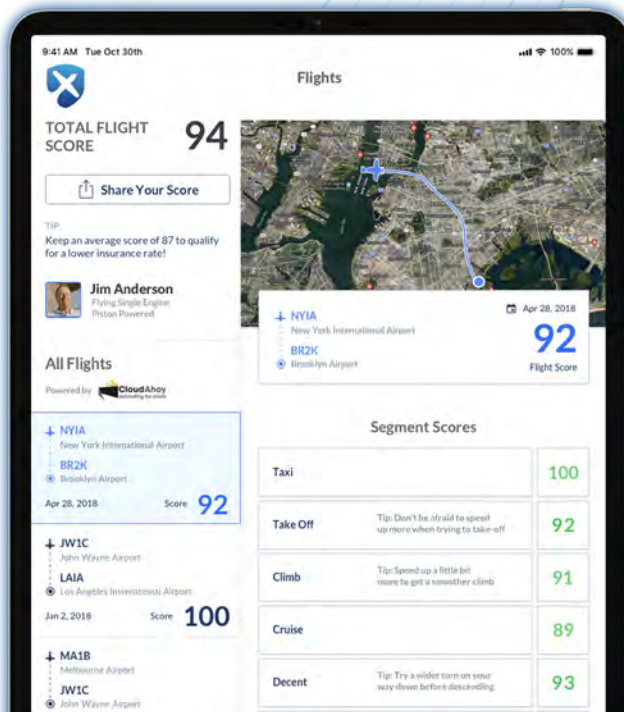

Insure Your Solo Flight

With the right coverage, you'll have the peace of mind to focus on your training. We cover single engine, multi engine, rotorcraft, and single-engine seaplanes.

Make the Skies Safer

With flight scoring powered by CloudAhoy, you can improve your performance and share your score with fellow students to set an example for safety.

YOUR MOST PRECISE AND VERSATILE SPRAY GUN

BOOTH# 2118
SEE IT. TRY IT.

The **GreX Micro Spray Gun** set is the ultimate paint gun for fine detailed spraying. It's a spray gun and airbrush hybrid that lets you reach into the tightest areas for that perfect finish. Precision spraying, spot repairs and touch-ups are quick and easy with minimal overspray. Based on our Tritium Series airbrush, this gun even evolves with your needs with plenty of the same accessories and attachments to accommodate all your applications. Like all Grex products, you'll find the same reliability, high performance and quality you've come to expect.

Fly With Confidence

HALON FIRE EXTINGUISHERS

Smallest • Lightest • Least costly clean agent

- Most effective extinguishing agent for aviation
- No mess or damage (unlike dry chemical)
- Pressure gauge allows easy confirmation of charge
- Long the choice of major aircraft manufacturers
- Key components made of aluminum (not plastic)
- Long service life (rechargeable)
- Meet NFPA and DOT requirements
- FAA-approved halon-alternatives also available

Aviation Solutions

Engineered for Pilots & Support Teams

Icom provides innovative aviation solutions that are reliable and dependable on and off the ground. This is why pilots trust Icom.

A25 &
A16 Series

A120

- **Panel Mount: A220** – feature rich, easy to install even in tight configurations.
- **Handhelds: A25** and **A16** Series – the perfect backup Comms.
- **Mobile: A120** – with built-in ANC, reducing background noise for airport environments.

Visit the Icom booth #2027
July 25th - July 31st 2022.

Continental **PRIME**™

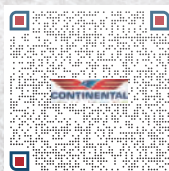

Parts that Get the Job Done

Looking for Lycoming®* replacement parts but without the extravagant price tag?

Choose **PRIME**™ PMA replacement parts for Lycoming®* engines.

They're FAA approved for good reason: they get the job done.

These cylinders and piston rings, gaskets and camshafts match your engine perfectly, and they come with a tag that adds value and quality, not cost.

Contact our *Factory Service Center, Continental Services™* for all of your parts and engine maintenance needs.

www.continental.aero

© 2022 Continental®. All rights reserved.

* Lycoming® is a registered trademark of Textron Innovations Inc. Any reference to Lycoming® or associated trademarks, word marks, and products is only for purposes of identifying engines with which Continental® parts are compatible, or for which Continental® offers maintenance services. Continental® parts compatible with Lycoming® engines are aftermarket parts and are not original equipment parts. Continental® is not connected to, affiliated with, or sponsored by, or endorsed by Textron Innovations Inc. or Lycoming® Engines, a Division of Avco Corporation, or any of their affiliate companies.

CONTINENTAL® ENGINE CARE SERIES

2022 EAA AIRVENTURE OSHKOSH SEMINARS

Attend our free Continental® Engine Care seminar series, and learn techniques and methods to help your engine reach its full potential.

Each session is presented in the Continental® booth by one of our technical experts. Seating is limited. Registration begins thirty minutes before each seminar.

Education Center

EAA's Youth Education Center

energizes young minds to explore, discover, and experiment with aviation science, technology, and engineering through accessible and immersive labs and learning areas.

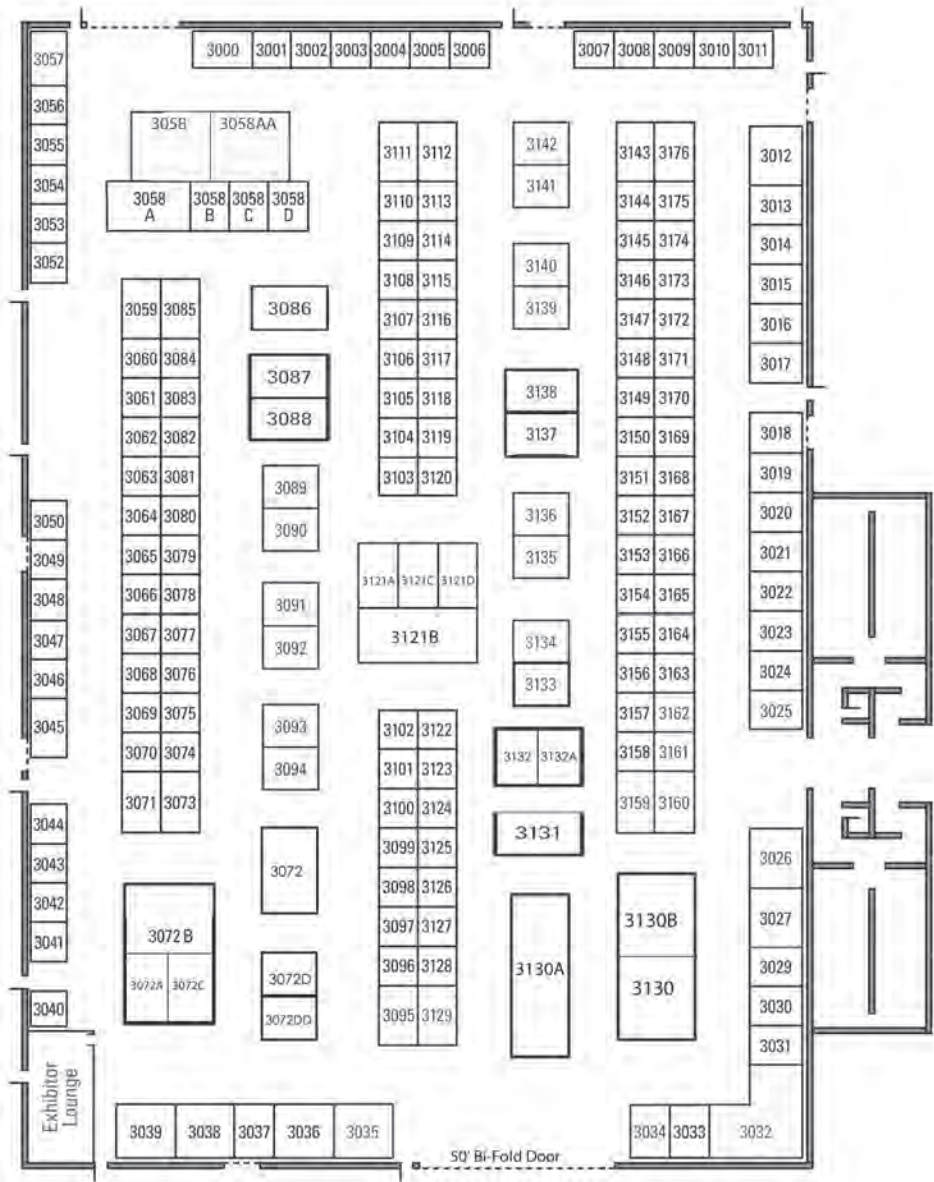

Self-guided tours are available on Wednesday, July 27, and Saturday, July 30, from 9 a.m. to 1 p.m.

WHAT TO SEE AND DO

There is so much to see and do at EAA AirVenture Oshkosh 2022 — forums, workshops, air shows, movies, and more. Whether you are here for the day or for the whole week, use this schedule to get the most out of your visit.

NOTE: Check the *AirVenture Today* newspaper, the AirVenture App, or EAA.org/Schedule for schedule changes and updates.

All presentations from Saturday, July 23, to Sunday, July 31, are organized by day and time. Each listing provides the speaker(s), location, and AirVenture grounds map coordinates (see the AirVenture map on pages 66 and 67) to help you find your way.

WomenVenture

Be*Bold*

Throughout the week, visit the new EAA WomenVenture™ Center in Aviation Gateway Park for networking events, career resources, and aviation exhibitors.

Monday, July 25

EAA WomenVenture Ice Cream Social

5:30 p.m. | Forums Tent in Aviation Gateway Park

The official kickoff to the WomenVenture schedule! Meet and connect in the fun atmosphere of an ice cream social.

Wednesday, July 27

EAA WomenVenture Group Photo

11:00 a.m. | Boeing Plaza

While wearing your 2022 EAA WomenVenture T-shirt, meet in Boeing Plaza for the traditional group photo.

EAA WomenVenture Power Lunch

11:30 a.m. | Theater in the Woods | \$5

Col. Eileen Collins, the first woman to pilot and command an American spacecraft, leads a mesmerizing presentation. Boxed lunch included.

EAA WomenVenture Evening Program: Unusual Attitudes

6:30 p.m. | Theater in the Woods

An inspiring evening with a panel of women in aerobatic flying, moderated by Steph Stricklen.

EAA Aviation Gateway
Park is presented by

EAA AVIATION GATEWAY PARK

AT EAA® AIRVENTURE® OSHKOSH™ 2022

Aviation Gateway Park is **your headquarters** for education, careers, and networking with aviation companies and industries.

EAA AeroEducate™ Center

Learn how to engage students in grades K-12 with the world of aviation after AirVenture. With EAA's free, online education program, AeroEducate, students have exclusive access to STEM-based activities that will introduce them to the different aviation career opportunities.

EAA WomenVenture™ Center

New at AirVenture 2022 — this year EAA is proud to offer a dedicated space where the WomenVenture community can come together throughout the week of AirVenture to connect, network, and learn. Exhibit spaces will feature organizations supporting women in many different facets of the aviation community.

EAA Education Center

The EAA Education Center offers the perfect gateway to colleges, universities, and technical schools offering programs in aviation, science, technology, engineering, mathematics, and other STEM-based curriculum.

EAA Career Center Presented by Air Wisconsin Airlines

If you're an aspiring aviator looking to network and interview with a variety of leading aviation companies and airlines, this is where you belong. Navigate your way into the aviation industry at the EAA Career Center.

EAA Forums at Aviation Gateway Park

The Forums at Aviation Gateway Park feature presentations and instruction on a wide variety of technical innovation topics throughout the week. Be sure to check out the AirVenture forum schedule for the most up-to-date list of sessions.

Learn more at EAA.org/AGP

THANK YOU!

Thank you to all of the EAA members who took advantage of the Express Arrival program this year, and to our friends at Airbus for their support. We're so excited to welcome everyone back to Oshkosh — safely and efficiently — and look forward to making this year's EAA AirVenture Oshkosh one to remember.

Thank you

to all the sponsors of EAA's One Week Wonder project

The One Week Wonder project is located at Four Corners across from the EAA Merchandise Center.

Stop by, pull a rivet, and be part of the experience!

Presented by:

ROTAX

Supported by:

Inspire the Next Generation

After 30 years of providing free flights for youths aged 8-17, now is your chance to get involved and share The Spirit of Aviation.

Visit the EAA Blue Barn or EAA Learn to Fly Center to learn more and enter to win a Lightspeed Zulu 3 headset.

Next steps also available at EAA.org/YEPilots

New Young Eagles pilots will be automatically entered monthly to win a Lightspeed Zulu 3 headset!

Toward the Unknown
(8:30 p.m.)

Experience the thrill of aviation on a local level

When you join an EAA chapter, you can:

- > Enjoy the fun and camaraderie of aviation with like-minded people in your area
- > Share and learn aviation-related knowledge
- > Participate in aviation activities, such as fly-ins, building seminars, Young Eagles® rallies, and more
- > Help build a stronger bond between aviation and your community
- > Inspire the next generation of pilots

Visit EAA.org/FindaChapter to get involved today.

2022 Aircraft Raffle

GRAND PRIZE

Restored 1946 Piper J3C-90 Cub

or **\$25,000 CASH**

Featuring certified aluminum ribs, spars, and ailerons from a Dakota Cub wing kit, Univair PA-11 struts, two Air Energy 12-gallon wing tanks, and an immaculate interior with a useful load of 358 pounds.

ONLY 3,000 raffle tickets are available
\$100 per ticket

EAA.org/AircraftRaffle

Purchase your ticket at the EAA Aviation Museum™ during normal business hours, at certain events throughout Wisconsin or on the EAA® AirVenture® Oshkosh™ grounds during AirVenture 2022. The drawing will be held on July 31, 2022 at 3:30 p.m. at the AirVenture Member Center, EAA AirVenture Oshkosh, 3000 Poberezny Road, Oshkosh, Wisconsin.

When you make a raffle ticket purchase, you are supporting the educational and outreach programs and activities of EAA. The 2022 Aircraft Raffle and all entries are governed by the 2022 Aircraft Raffle Official Rules. Winner is responsible for all applicable taxes. For official raffle rules, prize information and further details, please visit EAA.org/AircraftRaffle.

BLUE BARN

Your **go-to destination** for **EAA Chapters™**
and **EAA Young Eagles®** at **AirVenture.**

- Attend a forum about growing your chapter, engaging youth, and more
- Represent your chapter by placing your pin on the chapter map
- Become a Young Eagles or Eagle Flights volunteer
- Learn about chapter resources and best practices
- Connect with chapter leaders and EAA's Chapters staff

Please read the owner's manual before operating your Honda Power Equipment and never use in a closed or partly enclosed area where you could be exposed to carbon monoxide. Connection of a generator to house power requires a transfer device to avoid possible injury to power company personnel. Consult a qualified electrician. ©2011 American Honda Motor Co., Inc

Cleveland Wheels & Brakes

Over 86 years of safe takeoffs and landings

With hundreds of FAA, TSO, STC, and PMA qualifications on single- and multi-engine fixed-wing aircraft and rotocraft, Parker's Cleveland Wheels & Brakes brand can be found on over 80 percent of the general aviation fleet. Our OEM engineering expertise combines with manufacturing excellence, plus rigorous testing beyond requirements, to make our equipment the proven leader in safety, quality, and maintainability.
