Last Name: ___________________________ First Name: ___________________________

Address: ______________________________

City: __________________ State: ____________ Zip Code ____________

Email Address: ___________________________ Telephone: ___________________________

Aircraft Make (e.g. Vans): ___________________________

Aircraft Model (e.g. RV-7): ___________________________

Aircraft Registration (e.g. "N" Number): ___________________________

NOTE: The EAA Technical Counselor is a volunteer technical advisor only and in this capacity has no authority to approve or "sign off" the aircraft or any aspect of their construction.

The EAA Technical Counselor Program is intended solely to facilitate informal contacts between homebuilders of aircraft and interested persons who have informed the Experimental Aircraft Association and/or its Chapters that they are available to render advice to such homebuilders. The EAA Technical Counselor is not an employee nor agent of the Experimental Aircraft Association or its Chapters. Neither the Association nor its Chapters make any representation as to the Counselor’s experience or competence with respect to aircraft building or restoration.

The builder agrees that he/she has read and understands the preceding, and consents to the distribution of this report to EAA Headquarters.

Signature of Builder(s): ___________________________
