(Photo by Jack Cox)

"Look, son, there are scads and scads of 'em!" As usual, the VariEzes and Long-EZs were the most numerous homebuilt types.

(Photo by Jack Cox)

Garry LeGare got his Seahawk to Oshkosh . . . the hard way! Damaged in a minor accident just prior to his scheduled departure for Oshkosh, Garry took wife Debby's suggestion and sawed the tail off, loaded the whole shebang on a trailer and drove straight through to Wisconsin! Reassembled at Wittman Field, the new biplane amphibian drew large crowds all week.

Dean Richardson, Madison, WI for his Cessna 170B, N2681D
 Dr. W. W. Rogers, Phoenix, AZ for his Cessna C-190, N190BR
