1969 JUDGES & AWARDS COMMITTEE
SPORT & SPECIAL AIRCRAFT DIVISION
Stanley J. Dzik, General Chairman

To: Bill Beaty, Jerseyville, Ill., N11981, Smith
To: Dr. Champe Poole, Harrisburg, Pa.
44 OCTOBER 1969
Outstanding Gyro Copter Construction and

To: Clyde Buckley, Muskegon, Mich., N3513,
To: Reed Johnson, Berkley, Calif.
To: Martin Haedtler, Oaklawn, Ill.

First Place—Outstanding Chapter Newsletter
Outstanding Landing Gear Design —
For Outstanding Airport Management —
Outstanding Contribution to EAA Aerobatic
For "Above and Beyond" —
To: Noel Becar, San Mateo, Calif.
To: Bob Burbick, Arlington, Va.
To: Larry Quinten, Oshawa, Ontario, Canada

To: Bill Blake, St. Charles, Mo.
For Outstanding Contributions to Aviation Education —
To: Robert Whittier, South Duxbury, Mass.

PRESIDENT'S AWARDS
For Outstanding Service and Dedication to EAA —
To: Donald Berndt, Coon Rapids, Minn.
For Promotion of Aviation Education —
To: Guenter Wilber, Des Moines, Iowa
For Outstanding Promotion of Sport Aviation in Canada —
To: Larry Quinten, Oshawa, Ontario, Canada
For Outstanding Devotion to EAA and Sport Aviation —
To: Bob Burbick, Arlington, Va.
Promotion of EAA and Sport Aviation —
To: James Kacarides, Memphis, Tenn.
For Engineering Assistance to EAA Members —
To: Noel Becar, San Mateo, Calif.
For "Above and Beyond" —
To: Martin Haedtler, Oaklawn, Ill.
Outstanding Contribution to U. S. Aerobatics —
To: M. H. "Pappy" Spinks, Burleson, Texas
Outstanding Contribution to EAA Aerobatic Division —
To: Dr. Champe Poole, Harrisburg, Pa.
For His Technical Contributions to Sport Aviation —
To: Reed Johnson, Berkeley, Calif.
For Outstanding Airport Management —
To: Bob Selfridge, Rockford, Ill.
Outstanding Smith Miniplane —
To: Bill Besty, Jerseyville, Ill., N11981, Smith Miniplane
Outstanding Design of Lightweight Biplane —
To: Adolph Hugo, Tulsa, Okla., Hugo-Craft
Outstanding Workmanship —
To: Clyde Buckley, Muskegon, Mich., N3513, Pietenpol Air Camper
Outstanding Contribution to General Aviation —
To: Jack Mobley, Rockford, Ill.
Outstanding Landing Gear Design —
To: Jack C. Swan, San Fernando, Calif., N7415, Starduster Top
First Place—Outstanding Chapter Newsletter for 1969
To: EAA Chapter 127, Westside, Cleveland, Ohio
Second Place—Outstanding Chapter Newsletter for 1969
To: EAA Chapter 305, Dartmouth, Nova Scotia, Canada
Rotorcraft (Non-powered) —
To: Chapter 18, Popular Rotorcraft Association, Aurora, Ill., Gyro Glider
Outstanding Helicopter —
To: N. R. Bernier, Mesa, Ariz., N4811, Scorpion
Outstanding Gyro Copter Construction and Flight —
To: Geo. Spadie, Louisville, Ky., N6546D, Benson BM

To: George Cooper, St. Charles, Mo., N3718, Tuhoier (Spezio Sport)
To: Joe Maugeri and Ned Ames, Opa Locka, Fla., N5928, Demoiselle
Sponsor: B. & F. Aircraft Supply

Tom Kuchinsky, the Warbird president, presents Gunther Balz with the outstanding Warbird award for his Grumman Bearcat.

Tom Kuchinsky presenting the award to Dave Forest for the rarest Warbird T-63.

Don Fairchild of Continental Motors Corp. presents a scholarship to Ron Wojnar.

Curtiss Pitts receives the August Raspel award.

Most Outstanding All Metal Sailplane —
To: Larry Roger, New Brighton, Minn., H.P. 14 Sail Plane
Outstanding Workmanship —
To: Richard Borremans, Appleton, Wis., N1668, Piel Emeraude CP-311
Outstanding Metal Aircraft —
To: Al Neunteufel, Addison, Ill., N193N, Thorp T-18
Outstanding VW Reduction Drive —
To: Don Stewart, Clinton, N.Y., N8667E, Headwind
First Corvair Powered Aircraft to Attend Annual Fly-In
To: Robert Rothus, Albert Lea, Minn., N838W, Heath Super Parasol Corvair Powered
Outstanding Design —
To: Jerry Smyth, Huntington, Ind.
Outstanding Female Flying Team —
To: Bev Blankenship and Mary Ann Vander-Weel, Louisville, Ky.
Youthful Participation in Aviation —
To: Donald Simmons, Bainsville, Glengarry County, Ontario, Canada
Outstanding Contribution to EAA and Sport Aviation —
To: Louis Filling, White Horse Pike, Pomona, N.J.
Outstanding European EAA Booster —
To: Helene Best-Devereux, Welwyn Garden City, England
SERVICES TO EAA —
To: Harvey Anderson, Rockford, Ill.
For Outstanding Service and Dedication to EAA —
To: Joe Maugeri and Ned Ames, Opa Locka, Fla.
To: Frank McEntee, Anderson, Ind., N2813, Tuholer (Spezio)
Outstanding Contributions to the Experimentation with Aircraft —
To: Waldo Waterman, San Diego, Calif.
Outstanding Contribution to the Experimental Aircraft Association —
To: Chester R. Wellman, Rockford, Ill.
Outstanding Wooden Aircraft —
To: Mike Hoffman, San Jose, Calif., N5871, Minicab Hawk
For His Outstanding Technical Assistance to EAA —
To: Roscoe Morton, New Orleans, La.
For His Contribution to Aviation Safety —
To: Gus Limbach, St. Paul, Minn.
Outstanding Service to EAA and Aviation —
To: The Red Cross, Rockford, Ill.
For Outstanding Illustrations Used in EAA Publications —
To: Bill Blake, St. Charles, Mo.
For Outstanding Contributions to Aviation Education —
To: Robert Whittier, South Duxbury, Mass.

EAA SPONSORED AWARDS
Prof. August Raspel Memorial Award for Outstanding Contribution to the Advancement of Light Aircraft —
To: Curtiss Pitts, Homestead, Fla.
Grand Champion Homebuilt Aircraft —
To: Russ Basye, Fresno, Calif., N372RB, Thorp T-18
For Contribution to Aviation and the Development of Automotive Engines for Aircraft Use —
To: Waldo Waterman, San Diego, Calif.
Outstanding Contribution to the Experimental Aircraft Association —
To: Chester R. Wellman, Rockford, Ill.
Outstanding Wooden Aircraft —
To: Mike Hoffman, San Jose, Calif., N5871, Minicab Hawk
For His Outstanding Technical Assistance to EAA —
To: Roscoe Morton, New Orleans, La.
For His Contribution to Aviation Safety —
To: Gus Limbach, St. Paul, Minn.
Outstanding Service to EAA and Aviation —
To: The Red Cross, Rockford, Ill.
For Outstanding Illustrations Used in EAA Publications —
To: Bill Blake, St. Charles, Mo.
For Outstanding Contributions to Aviation Education —
To: Robert Whittier, South Duxbury, Mass.

PRESIDENT'S AWARDS
For Outstanding Service and Dedication to EAA —
To: Donald Berndt, Coon Rapids, Minn.

Tom Kuchinsky, the Warbird president, presents Gunther Balz with the outstanding Warbird award for his Grumman Bearcat.

Tom Kuchinsky presenting the award to Dave Forest for the rarest Warbird T-63.

Don Fairchild of Continental Motors Corp. presents a scholarship to Ron Wojnar.

Curtiss Pitts receives the August Raspel award.
Outstanding Service to EAA
To: Paul Me Reynolds, Memphis, Tenn.

Outstanding Service to EAA
To: Bill Chomo, Franklin, Wis.

Outstanding Service to EAA
To: R. Shaeffer, Newton, Pa.

Outstanding Service to EAA
To: Roger Davenport, Hubertus, Wis.

Outstanding Service to EAA
To: Allen K. Easterday, Sturtevant, Wis.

Contribution to EAA Museum and Sport Aviation
To: Jack Hoeft, South Milwaukee, Wis.

100% EAA and Sport Aviation Booster
To: Tom Apple, Fairview, Pa., N832Z, Baby Ace

Sponsor: Piper Aircraft

Construction Excellence
To: Don Hendley, Van Nuys, Calif.

Sponsor: Nick D’Aguzzo

Contribution to Sport Aviation in Canada
To: Paul Jenkins, Toronto, Ont., Canada

Sponsor: Jeppesen & Co.

Outstanding Leadership to EAA and Sport Aviation
To: Paul McReynolds, Memphis, Tenn.

Sponsor: Champion Spark Plug

Outstanding Sportsman Amphibian
To: George Fugale, Fort Lauderdale, Fla., N8301, Sportsman

Sponsor: Volmer Aircraft

Best Wittman Tailwind
To: Robert W. Larson, Ashville, N.Y.

Sponsor: Harold Best-Devereux

Best Workmanship on Breezy
To: Eric Campbell, Hamilton, Ontario, Canada

Sponsor: Pho-Telec, Butler, Wis.

Waco Taperwing
To: R. J. Hardin, Irving, Texas, N1276, Waco

Sponsor: W. Wayne Jordan Co.

Outstanding Rebuilding
To: Tom Apel, Fairview, Pa., N832Z, Baby Ace

Sponsor: Piper Aircraft

Outstanding Service to EAA
To: Joe Maugeri, Hialeah, Fla., N9292, Demoiselle

Sponsor: Nick D’Apuzzo

World’s Greatest Gambler
To: Myke Replage, Tucson, Ariz., N68642, Gold Bug

Sponsor: B. & F. Supply Co.

Most Interesting Aircraft Circa 1913
To: Dale Crites, Waukesha, Wis., N24034, Model A-1, 1912 Curtiss Biplane

Sponsor: Harold Best-Devereux

First Breezy to Perform Aerobatics
To: Denny Phares, Savannah, Ga., N1726, Breezy Bird

Sponsor: Roloff-Unger-Liposky

Best Workmanship on Breezy
To: Zimmerman-Beatty-Simpson, Jerseyville, Ill.

Sponsor: Roloff-Unger-Liposky

Bill Adams Annual Memorial Award
To: Bob Lyjak, Ann Arbor, Mich., N655N, Miles Hawk

Sponsor: International Military Supply

World’s Greatest Gambler
To: George W. Sullivan and Joe Maugeri, Hialeah, Fla., N9292, Demoiselle

Sponsor: Nick D’Apuzzo

Outstanding Air Show Announcer
To: Vaughan G. Norman, Atlanta, Ga., N68290, Classic Biplane

Sponsor: W. Wayne Jordan Co.

Audrey Poberenzny presents the award for the best Spezio tu-holer to George Cooper.

Chet Wellman giving Russ Basye the Grand Champion Award for the best Homebuilt for his T-18 with retracting landing gear.

Audrey Poberenzny presents the B & F award for the best Emeraude to Dick Borremans of Appleton, Wis.
AWARD WINNERS

By Jack Cox

Antique Airways

The Antique judging at Rockford this year was done by a team consisting of the most discriminating, forthright, even courageous bunch of nit-pickers you ever saw: Gene Chase of Tulsa (editor of Spit and Wire), Harold Malloy of Oklahoma City (with FAA), Evander Britt (no further identification needed), Page Shamberger (ditto), Robert Irvine (editor of the Chicago Chapter newsletter, Antique), and their “Chicken Leader” — me. Haughtily ignoring the pleading looks of hopeful owners, fearlessly shouldering aside the brutish threats of those who lost last year, we ran the gauntlet all week never failing to record the exact number of fly specks, grains of sand in the floor mats and other, important aeronautical data. (Well, it wasn't really quite THAT bad!). Nevertheless, Saturday night finally arrived and as the “Fearless Few” cowered behind the speaker's stand, these results were announced:

CLASSIC (1936-1941)

GRAND CHAMPION

1929 Lockheed Vega—Dave Jameson, Oshkosh, Wis.

This was really a Waco year at Rockford. In addition to the two winners listed here, the VKS-7 of Vince Mariani and R. J. Hardin’s YOC, there were several others that just missed trophies in the voting. Dave McClure’s side-by-side 1932 RPA was a beautiful machine and demanded several close looks before losing out to the YOC. Dr. E. Packard’s 1932 IBA was on hand — the side-by-side Wacos are really coming out of the woodwork lately! In the Golden Age category there were two Waco 10s in attendance and a stunning 1928 Waco Taperwing owned by Gordon Bourland of Fort Worth, Texas. It drew several votes in its class. Ray Brandly, the “Waco King”, was there hovering over his brood and told us that this Taperwing is the most original flying today. In all, the Wacos outnumbered any other make at Rockford. And there were 99 and 44/100% RED! I have a color slide that shows almost all the Waco line and it is one long streak of red! Several Staggerwings were on the same line and they, too, were mostly red. One solid yellow one sneaked in there somehow.

ANTIQUE (1930-1935)

GOLDEN AGE (Pre-1930)

BEST ANTIQUE REPLICA—Santos-Dumont Demoiselle

Ned Ames and Joe Maugeri, Miami, Fla.

BEST MODIFIED ANTIQUES

Sweepstakes (Runner-up to Grand Champion)

1935 Waco YOC—R. J. Hardin, Irving, Texas.

The Mariani VKS and the Hardin YOC were exceptional restorations in every sense of the term. These big cabin planes were the kind you could walk around just trying to find SOMETHING to pick and never find it. Beautiful inside and out, full fairings, wheel pants — the YOC even had an antique low frequency radio on the panel, left there for authenticity — show planes!

Some of the winners were old favorites getting better with age. Henry Jorgensen's beautiful Airmaster is still in there pulling off those awards. He literally must have a trunkful! Someone is going to have to come up with a jewel to top this one for a long time to come. Fr. MacGillivray, the Canadian Air Force Chaplain, had his rare Miles Hawk back and took the Antique Monoplane award. This is the only one of its type in the Western Hemisphere. It is sort of like the Fairchild PT-19s here — a wooden trainer that was allowed to rot away before antiquers stepped in and began to rescue them. Unfortunately, there weren't nearly as many Hawks made as Fairchilds. So now there is one.
The Golden Age Biplane winner, the 1929 D.H. Gypsy Moth flown and flown and flown by Dudley Kelly of Versailles, Ky., was a crowd pleaser. Every time it was cranked — frequently — it drew a crowd and like an actress who knows how to squeeze out every ounce of attention, the old girl rarely started the first time. Rather, she pouted and demanded a little pleading and got to show off her electric starter — a surprise to many. Once started, however, she really put on a show. This was probably the flyingest antique at Rockford this year.

One of the surprises of the meet was the appearance of a very authentic Santos-Dumont Demoiselle 20 replica trucked from Miami in a custom-fitted trailer. Finished just in time to bring north — but not to test fly — the final adjustments were made at Rockford. This bird was constructed of real bamboo, and Ned Ames now claims the title of “Bamboo King” of southern Florida because he had to buy and go through literally stacks of the stuff to find pieces of the right size with joints at the proper place for fittings. The tiny plane is fitted with an Aeronca two-lunger which looks authentic (it’s getting a little hard to find a Darracq or a Dutheil-Chalmers engine these days!) — and has sufficient power — maybe too much.

The Friendlies decreed that the crowded Rockford airport wasn’t the place for a test flight of a 1909 design which featured wing-warping, rudder control by means of a hand wheel device similar to a Cessna trim wheel, and, of course, no brakes and a tail skid. So the floppy-winged (that bamboo is flexible!) little bird was taken to Cottonwood, a nearby grass strip for its initial test flight. With Joe Maugeri (he is appropriately Santo-Dumont-small) perched on the wide leather strap across the two lower longerons that passes for a seat, the Air-Knocker was fired up and away he went. The Demoiselle sprang into the air with startling alacrity and proceeded to inscribe a wide circle toward a tree line despite all the furious rudder-wheel cranking Joe could muster. At the last moment the power was cut and the little bird cage plopped unceremoniously down — still in a bank — on one bicycle wheel, collapsing the spokes in the process. Joe was unhurt — until he tried to pull his feet out of the slightly compressed footrest and raked his foot across a ragged castle-nut. The resulting cut required several stitches which gives Joe the dubious distinction of being the first person to have been bitten by a Demoiselle in many a moon! The wheel was repaired and the craft was on display for the remainder of the week. (Poor Joe had to get along with the Pitts and P-51 he also had at Rockford!). It won’t be flown again until a rudder bar has been rigged!

The modified antiques were something! The Ryan STA with a 200 Ranger is a little bit of a surprise to many seeing it for the first time. It doesn’t look altered. The Ranger fits in the place of the Menasco so neatly that little is changed. A very nice job that goes like no Menasco-powered Ryan ever did.

The Helmchen-Ciabottoni Navy N3N was one of the heart stoppers of the entire show! There was not a plane at Rockford — bar none — with a finish any better than this plane. It was international orange with a cream trim and some fancy striping. The plane was hard for many to identify — it had a full cowl, huge fairings on the main gear legs (with that crazy spreader-bar sticking through them), and gigantic wheel pants! I personally have always thought of an N3N as kinda homely, but this one is a mind-changer.

Dave’s Vega and R. J. Hardin’s YOC were the final choices and I’m sure it was a surprise to exactly no one when the Vega was declared the grand champion. Both planes, the grand champion and the runner-up, are a credit to their owners and were a pleasure to judge.
