adventure

Sport Aviation Magazine

EAA *Sport Aviation* is the association's flagship monthly, a full-color magazine consistently rated as the No. 1 reason members belong to EAA. More than 250,000 passionate readers

The award-winning magazine informs and entertains aviators and aviation enthusiasts who are interested in the broad scope of recreational aviation and EAA activities and programs with editorial geared to the flying, buying, building, restoring, and maintaining of all types of aircraft.

EAA *Sport Aviation* contains the broadest editorial content and coverage for recreational aviation today – introductions to new aircraft and innovations, the latest aviation products and services, hands-on and personal experience in the nuts and bolts of aircraft ownership, detailed flying adventures, profiles of readers, members, chapters and their aviation activities, and supporting sport aviation's heritage.

- About 90% of readers feel the ads running in EAA Sport Aviation keep them informed on the latest technology in general aviation
- Nearly 55% seek out EAA Sport Aviation advertisers at AirVenture because of their ability to deliver a high quality product
- 78% of readers are more likely to purchase goods from an advertiser offering an EAA member discount
- The digital edition provides advertisers even greater exposure through this must read publication

Sport Aviation- Digital Ads

- Over 70,000 prefer to receive the digital issue of Sport Aviation
- Embedded video in digital ads are proven to provide more power to deliver a higher impact message
- *Sport Aviation App* allows readers the opportunity to stay current while on the go

News

Balance Restored: A Stumbling Stearns Plane Home

Spending like a champ in the Christmas season, a stunning 1934 wingtip-wing Stearns SR-10A biplane was recently spotted in front of the EAA Hangar during HOBBIT. Its missing profile was unmistakable, with its regular, one-type airfield, wide-tail fin, and large, rounded nose. [Watch now...](#)
